Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>For participating providers: \$0/individual or \$0/family. For non-participating providers \$20,000/individual or \$40,000/family</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Preventive care, emergency room services, pediatric eye and dental care.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>No.</p>	<p>You don't have to meet deductibles for specific services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>Participating providers: \$2,000/individual or \$4,000/family for Medical/MHSA, \$6,000/individual or \$12,000/family for Prescription, and \$1,000/individual or \$2,000/family for ambulance benefits. For non-participating providers: \$30,000/individual or \$60,000/family for Medical/MHSA.</p>	<p>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Premiums, out-of-network balance-billing charges, health care this plan doesn't cover, and penalties for failure to obtain precertification for services.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>
<p>Will you pay less if you use a network provider?</p>	<p>Yes. See www.myibxtpa.com or call 1-800-810-BLUE for a list of medical network providers, call 1-800-255-3081 for a list of Behavioral Health providers, for all other Benefit Providers call the Fund Office at (215) 568-0430.</p>	<p>This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (i.e. lab work). Check with your provider before you get services.</p>
<p>Do you need a referral to see a specialist?</p>	<p>No.</p>	<p>You can see the specialist you choose without a referral.</p>

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
